# "You're All I Have"

Visit "[You're All I Have](#)" on [MotoLyrics.com](#)

I Wake Up In The Afternoon  
Empty Walls Make Up The Room  
And I'm Wishing For One Thing  
To Give Myself The Strength To Keep Myself Alive  
Long Enough To Make Sure You Don't try  
To Turn Out Anything Like Me  
Another Fraud, Another Fake  
Don't Pretend You're Not The One Who's Wrong

\*\* You're Keeping Me Sane When I'm Feeling Alone  
I Wield My Heart And My Fractured Bones  
Don't Leave Me To Die By Myself,  
I Can't Live Without You

Sunlight's Creeping Through The Blinds,  
Calling Me From These Confines  
There's Only So Many More Days  
Untill You're Cast Away From Ever Seeing Me  
They Won't Understand  
They'll Never See  
The Way You Medicate My Head  
Without You Here, I'm Left For Dead  
Don't Pretend You're Not The One Who's Wrong

\*\* You're Keeping Me Sane When I'm Feeling Alone  
I Wield My Heart And My Fractured Bones  
Don't Leave Me To Die By Myself,  
I Can't Live Without You

Without You Here  
You're All I Have  
In A World That Judges, Long Before It Sees  
You're All I Have  
In A Place That Hates Me  
And Only Wants To Push Me Down  
Now I'm Forsaken  
Past The Point  
I'll Bend, You'll Break Me  
I Won't Be Fine  
You're All Mistaken  
Don't Pretend You're Not The One Who's Wrong

Don't You Pretend  
It's Gonna Be Okay  
Don't Lie, And Say  
It's Better Off This Way  
(Don't You Pretend)  
Don't Pretend  
(Don't You Pretend)  
You're Not The One Who's Wrong  
(Don't Lie And Say)  
Don't Pretend  
(It's Better Off This Way)  
You're Not The One Who's Wrong

\*\* You're Keeping Me Sane When I'm Feeling Alone  
I Wield My Heart And My Fractured Bones  
Don't Leave Me To Die By Myself,  
I Can't Live Without You Here

Don't You Pretend  
Don't You Pretend  
(Without You Here)  
Don't Run And Say  
(You're Not The One Who's Wrong)

You're Keeping Me Sane When I'm Feeling Alone  
(I Won't live Without You)  
You're Not The One Who's Wrong  
Don't Leave Me To Die When I'm Feeling Alone  
(I Can't Live Without You)  
Don't Pretend You're Not The One Who's Wrong
