I used to make the light shine for you.
The sun has left my sky.
Velvet walls surround my sorrows.
Iâ€™ve sacrificed my pride.

Youâ€™re giving up on me (giving up on me)
Youâ€™re giving up on me (giving up on me)
Youâ€™re giving up on me (giving up on me)
Youâ€™re giving up on me.
Iâ€™ve laid myself to sleep tonight.
I know youâ€™ve played out everything in your mind.
And now you throw it all away.
A dead memory that you would stay,
through thick and thin with me.

Youâ€™re giving up on me (giving up on me)
Youâ€™re giving up on me (giving up on me)
Youâ€™re giving up on me (giving up on me)
Youâ€™re giving up on me.
Iâ€™ve laid myself to sleep tonight.
I know youâ€™ve played out everything in your mind.
And now you throw it all away.
A dead memory that you would stay,
through thick and thin with me.

And when you feel the pain,
Iâ€™m wishing I could stay.
How can I say I love you back,
you never made me happy.
Youâ€™ve laid yourself to sleep,
I never said this wouldnâ€™t hurt.
You gave up everything;
I never said Iâ€™d give it back.
I know youâ€™ll never change;
I wonâ€™t be good enough for you.
I know, youâ€™ll make it through,
Iâ€™ll never be around to see.

And now you throw it all away.
A dead memory that you would stay,
through thick and thin with me.
Youâ€™re giving up on me.

You're giving up on me.
You're giving up on me.
You're giving up on me.
