You left me, now you come back to me saying it's
changed
and we're not the same people we once were. And
you beg
to be back with me, I can't see anything but you. Every
night,
I see you there. Everyday, I hate you and everything we
once
were. You keep saying it's changed and we're not
the same.
And you beg to be back with me, now I can't see
anything. I
won't forget everything that you put us through. Every
night,
I see you there. Everyday, I hate you. Crying can't
carry you
back to me.
