The endings the same
Past mistakes that you make
Come back to haunt you
You!!!

I made a mistake
I wish I could take back everything that I did
I wanted to tell you
I really did
But how do I explain this?

Promise me you will be there
Until the red light will change
I would wait forever
Promise me you will stay here
Until the darkness will fade
I'd wait for you

I made a mistake
I wish I could take back everything that I did
I wanted to tell you
I really did
But how do I explain...

I wanted to tell you
What really happened
How do I explain this
How do I explain everything?

Promise me you will be there
Until the red light will change
I would wait forever
Promise me you will stay here
Until the darkness will fade
I'd wait for you

Wait for you...
Wait for you...
For You...
Wait For You...
