Never again.

Iâ€™ll slit my throat with the knife I pulled out of my spine.

Maybe when you find out that Iâ€™m dead,
Youâ€™ll realize what you did to me.

And if my lungs still let me breathe,
Would you be there for me?
If I can make myself believe,
Iâ€™ll give you back what you took away.

No, I wonâ€™t let it go.
Douse myself in gasoline.
So donâ€™t save me
When you come into the fire.
Iâ€™d rather die
Than have to see your smile.

And if my lungs still let me breathe,
Would you be there for me?
If I can make myself believe,
Iâ€™ll give you back what you took away.

You made me swear.
You made me swear.
I, I canâ€™t sleep.
Realize all these things
that you took from me.
Smash my heart
You made me swear
into dust.
You made me swear
Suffocate my mind.
You made me swear
Tear at me from inside.
You made me swear..
Smash apart what you created.
How can I ever stop you from crushing my soul?
It was, it was yours, yours to begin with.

And if my lungs still let me breathe,
Would you be there for me?

If I can make myself believe,
I'll give you back what you took away.
