( China Burton, Nick Straker)

Do you know how lucky I feel I am  
To find a man who loves me, as I am  
You never try to change a single part of me  
You're easy to love, with those qualities  
An everyday you teach me more and more  
Inside me I wanta glow  
And every night you think of only me  
The way you keep me satisfied  
You do all the things I like  
I want ya, Oh I want ya so  
Do you want it right now  
Oh, I cant let go  
I want ya so bad, give me all you have  
I can show you now, do you want it right now  
You have a rare sensitivity  
I really believe you know how to feel  
I trust you with all my heart and soul  
You care to much too let me take control  
And every day you teach me more and more  
Inside me, I want to glow  
and every night you think of only me  
oh you keep me satisfied,you do all the things I like  
I want ya, Oh I want ya so  
Do you want it right now, Oh I can't let go  
I want you so bad, give me all you have  
I Can show you how, do you want it right now  
I want ya, I want ya so  
Do you want it right now,  
Oh I can't let go  
want ya so bad, give me all you have  
I can show you how, do you want it right now  
Do you want it, want it right now baby  
right now  
do you want it, want it right now  
I can hear it from ya right now  
Do ya want it want it right now  
right here, right now, right now, right now  
I want you screaming, screaming  
Everyday you teach me more and more

inside me I want to glow  
And every night you think of only me  
The way you keep me satisfied, you do all the things I  
like  
I want ya, oh I want ya so, I want it right now  
Oh can't let go, I want ya so bad give me all you have  
I can show you how, do you want it right now  
I want ya, I want ya so  
Do you want it right now, oh I can't let go  
I want ya so bad, give me all you have I can show you  
how... fade
