Red roses, temptation,
You make the most of a ify situation..
I'm weighing my decision
Who's to say if it's love, or if it isn't?
Only time will tell
Just how well I'll get to know you.
Don't mean to lead you on,
But I want to take it slowly, slowly.

Don't rush me
I've made that mistake before, ah.
Don't rush me.
This love could be so much more
It's well worth the waiting for
Desire can mean danger,
I wanna lover, not another stranger
I'm saving all my passion,
Who's to say if it's love, or just attraction?
Only time will tell
Just how well I'll get to know you.
Don't mean to lead you on, But I want to take it slowly,
Slowly.

And my resistance is weakening, weakening everytime
we

Touch.
Baby, you get everything, everything that I've been
Dreamin' of.

Don't rush me.
I've made that mistake before, oh yeah.
Don't rush me. This love could be so much more,
It's well worth the waiting for, yeah.
My resistance is weakening
Every time we touch,
Cause baby you've got everything,
Everything That I've been dreaming of.

[guitar solo]

Don't rush me. I've made that mistake before,

Oh yeah. Don't rush me. This love could be so much
more,
It's well worth the waiting for.
Don't rush me. I've made that mistake before,
Oh yeah. Don't rush me. This love could be so much
more,
It's well worth the waiting for, yeah.
