(George)

I'll always love you for the rest of my days
You have won my heart and my soul
With your sweet, sexy ways
You gave me hope when I needed someone near
You bring me happiness every day of every year
I'll always love you for all that you are
You have made my life complete
You're my lucky star
You are the one that I've been searching for
You are my everything
Tell me who could ask for more
And I'll always love you

Honey, this will never end
I need you by my side, Baby
You're my lover, my friend
My friend
You gave my world a thrill I've never known.
And filled my eager heart with a love to call my own.
And I'll always love you
You must know how much I do.
You can count on me forever and
I will take good care of you.
I'll always love you
I'm so happy that you're mine
I'll always love you, yes
Till the end of time
