Saying goodbye is never an easy thing
But you never said you'd stay forever
So if you must go,
Oh, Darling I'll set you free
But I know in time
We'll be together
I will try to stop you now from leaving
Cause in My Heart I know
Love will lead you back
Some day I just know that
Love will lead you back to my arms
Where you belong
I'm sure, sure as stars are shining
One day you will find me again
You won't be long
One of these days our love
Will lead you back
One of these nights
Oh I'll hear your voice again
You're gonna say
How much you miss me
You'll walk out this door, but
Some day you'll walk back in
Darling I know, I know this will be
Sometimes it takes some time out on your own
To find your way back home

Love will lead you back
Some day I just know that
Love will lead you back to my arms
Where you belong
I'm sure, sure as stars are shining
One day you will find me again
It won't be long
One of these days our
Love will lead you back
Cause I will try to stop you now from leaving
Cause in My Heart I know
Some day I just know that
Love will lead you back to my arms
Where you belong.
I'm sure, sure as stars are shining

One day you will find me again
It won't be long
One of these days
Our love will lead you back
Love will lead you back
Some day, I just know that
Love will lead you back to my arms
It won't be long
One of these days our
Love will lead you back
