I feel the night explode
When we're together
Emotion overload
In the heat of pleasure

Take me I'm yours into your arms
Never let me go
Tonight i really need to know

CHORUS

Tell it to my heart
Tell me I'm the only one
Is this really love or just a game
Tell it to my heart
I can feel my body rock every time you call my name

The passion's so complete
It's never ending
As long as I recieve
This message you' re sending

Body to body, soul to soul
Always feel you near
So say the words I long to hear

CHORUS

Love...love on the run, breaking us down
Though we keep holding on
I don't want to lose
No...I can't let you go...

CHORUS

Tell it to my heart
Tell me from the start
Tell it to my heart
