(T. Dayne, A. Roman)

Sweet love buttercup
I want to drink you up
Slowly from a fountain
Springtime, summer rain
Like a hurricane
Thats blowin all around me
Cause everything you do
Makes me feel so good
Everything you say
Takes me far away
Everybody needs
Somebody to squeeze
I just want to be
That somebody you need
You put me on the top
Turn me all around
Shakin me all up
Youre takin me down
Its unstoppable
My love, for you
Ohh weee
Just put me in your heart
Dont put me on a shelf
Ill give you all I got
To you and no one else
Its unstoppable
My love, for you
Ohh weee
Everywhere you go
All of the ladies know
What you have to offer
Youre the kind of guy
Who makes (r)em feel all right
And I know why theyre talkin
Cause nobody can do
Exactly what you do
Nobody comes near
What you give to me
Baby open up

All of you I want
All of you I need
To reach that ecstasy
You put me on the top
Turn me all around
Shakin me all up
Youre takin me down
Its unstoppable
My love, for you
Ohh weee
Just put me in your heart
Dont put me on a shelf
Ill give you all I got
To you and no one else
Its unstoppable
My love, for you
Ohh weee
Yeah, oh,
Ahhh
You put me on the top
Turn me all around
Shakin me all up
Youre takin me down
Its unstoppable
My love, for you
Ohh weee
Just put me in your heart
Dont put me on a shelf
Ill give you all I got
To you and no one else
Its unstoppable
My love, for you
Ohh weee
You put me on the top
Turn me all around
Shakin me all up
Bringin me down
Its unstoppable
My love, for you
Ohh weee
Just put me in your heart
Dont put me on a shelf Ill give you all I got To you and
no one else Its unstoppable!
