There's no condemnation;
In this salvation I'm free
Sin I was slave to now has no power over me
I don't deserve it, have not earned it
It's Your grace on me
And now my heart is free

I'm alive in Jesus Christ
And I know it's not 'cause of me.
Jesus, Your light has opened my eyes
I'm free

Objects of wrath
Redeemed at the cross from our sin
Chosen and living, forever forgiven by Him
I don't deserve it, have not earned it
It's Your grace on me
And now my heart is free

Jesus Your blood will speak of Your love for all time
Grace for today and hope for tomorrow is mine
I don't deserve it, have not earned it
It's Your grace on me
And now my heart is free

It's a celebration of Your grace
Celebration of Your grace
With a song of love and a shout of praise
Celebration
