The sun is up  
I'm feeling great  
I'm just enjoying life  
Right here in the shade  
Lets take a ride, right away  
I'll be by your side  
So easy, the easy life  
Celebrate the good times

All night long  
All night long  
Celebrate good times  
Come on  
All night long

Who's to tell  
What's to come  
All I know is tomorrow  
Today will be gone  
Get out, out of bed  
Put on your blue suede shoes  
Get up, up and dance  
Celebrate the good times

All night long  
All night long  
Celebrate good times  
Come on  
All night long

All night long  
All night long  
Celebrate good times  
Come on  
All night long

If your life is like a sad song maybe  
You should try and celebrate it, celebrate it

All night long  
All night long  
Celebrate good times

Come on  
All night long

All night long  
All night long  
Celebrate good times  
Come on  
All night long

All night long  
All night long  
Celebrate good times  
Come on  
All night long
