Here I'm standing, I'm standing tall.
I'm standing tall cause you've kept me from the fall.
Here I'm living, I am a live.
I am alive cause you make sure I survive.

So I ask you.
Can you hear me calling?
Can you see me falling?

I need you more than ever.
I need you here forever.
I need you more than ever before.
I need you here forever more.

You are my power, you are my power.
You are my december flower.

Oh yeah.
All I need is you.

I need you more than ever.
I need you here forever.
I need you more than ever before.
I need you here forever more.

I don't need the damn world power.
All I need, is my december flower.

Oh yeah.
All I need is you.
December Flower.
