Bring rivers in this wasteland
Clouds into this sky
Bring springs of life into the wells that have been run
dry

Rise up in this city
Gather in this light
Fall down on your people
Your glory and your life

Rain
Lord we thirst for water
Rain
We are desert Land
Rain
On your sons and daughters
Rain
Bring your rain again

Speak dreams into this water
And vision to this land
That oceans be divided
And bring forth life again

Rise up in this city
Gather in this light
Fall down on your people
Your glory and your life

CHORUS x 2

Let the tide roll in
Washing over our lives
Let your water fall again

Bring rivers in this wasteland
Clouds into the sky

CHORUS x 2

Bring your rain again
Let your water fall down

Bring your rain again now
(repeat)
