All other ground is sinking sand
A dying maze of desert land
Where darkness rules the heart of man
Till the sun shines light on him

Lord of all, show You're strong
On our knees we fall

Be a Cornerstone, be a Cornerstone
Be the Rock higher than I
Be my Fortress Wall
Be a Foundation for all
My Cornerstone

The building swaying in the wind
The towers crumble down again
This certainly will be the end
If they're not built on Him

Lord of all, show you're strong
On our knees we fall

Be a Cornerstone, be a Cornerstone
Be the Rock higher than I
Be my Fortress Wall
Be a Foundation for all
My Cornerstone

You, You are the Builder of my heart
You held me together from the start

Be a Cornerstone, be a Cornerstone
Be the Rock higher than I
Be my Fortress Wall
Be a Foundation for all
My Cornerstone

Be a Cornerstone, be a Cornerstone
Be the Rock higher than I
Be my Fortress Wall
Be a Foundation for all
My Cornerstone
