

Day Of Fire "Cut And Move"

Noticed the way you cut and move kind of reminds me
Of back in the day caught in my room running from
myself
Digging for lights inside the hole of my heartache
Lost in the way I shouldn't go, waiting for someone
else to

Hey, yeah, yeah, yeah, yeah, show me the way out of
this
Hey, yeah, yeah, yeah, yeah, show me the way out of
this hole
Show me the way out of this

Startled to wake up in the cold of denial
Scratching to gain back some control of this twisted
dream
I hid from the light inside the home of my darkness
The voice through the door said, "I alone hold the key
to your peace"

Hey, yeah, yeah, yeah, yeah, show me the way out of
this
Hey, yeah, yeah, yeah, yeah, show me the way out of
this
Hey, yeah, yeah, yeah, yeah, show me the way out of
this hole
Show me the way out of this hole
Show me the way out of this hole

Hey, yeah, yeah, yeah, yeah, show me the way out of
this
Hey, yeah, yeah, yeah, yeah, show me the way out of
this
Hey, yeah, yeah, yeah, yeah, show me the way out of
this hole
Show me the way out of this hole
Show me the way out of this hole
Show me the way out of this
