Bring rivers in this wasteland
Clouds into this sky
Bring springs of life into the wells
That have been run dry

Rise up in this city
Gather in this light
Fall down on Your people
Your glory and Your life

Rain, Lord we thirst for water
Rain, we are desert land
Rain, on Your sons and daughters
Rain, bring Your rain again

Speak dreams into this water
And vision to this land
That oceans be divided
And bring forth life again

Rise up in this city
Gather in this light
Fall down on Your people
Your glory and Your life

Rain, Lord we thirst for water
Rain, we are desert land
Rain, on Your sons and daughters
Rain, bring Your rain again

Rain, Lord we thirst for water
Rain, we are desert land
Rain, on Your sons and daughters
Rain, bring Your rain again

Let the tide roll in
Washing over our lives
And let Your water fall again

Bring rivers in this wasteland
Clouds into the sky

Rain, Lord we thirst for water
Rain, we are desert land
Rain, on Your sons and daughters
Rain, bring Your rain again

Rain, Lord we thirst for water
Rain, we are desert land
Rain, on Your sons and daughters
Rain, bring Your rain again

Bring Your rain again
Let Your water fall down
Bring Your rain again now
Bring Your rain again
Let Your water fall down
Bring Your rain again now
