The race is running a pace that's quicker  
The clock's tick ticking against  
The world keeps turning, this house is on fire  
Won't catch me sleepwalking again

Running said, "I'm running, I'm running  
I'm coming at you gunning", running, said, "I'm  
running against"

Running said, "I'm running, I'm running  
I'm coming at you gunning", running said, "I'm  
running against"

Awake and running, the distance quicker  
This road is nearing the end  
The wheels keeps turning, this heart is on fire  
I'm burning up high speed when I win

Running said, "I'm running, I'm running  
I'm coming at you gunning", running, said, "I'm  
running against"

Running said, "I'm running, I'm running  
I'm coming at you gunning", running said, "I'm  
running against"

I said, "I'm running, I'm running  
I'm coming at you gunning", running, said, "I'm  
running against"

Running said, "I'm running, I'm running
