Sitting in the dark shaking in a cold wind  
Dying to get well keep trying but I'm broken  
A kiss on my lips that use to thrill me  
If I go another day it's gonna kill me

Slipped into a dream, woke up in a nightmare  
Scars on my skin, don't know how they got there  
How heavy was the crown of thorns?  
I wonder if I'm to far gone

They say Jesus walked the dark hills  
He broke bread with beggars and thieves  
If I cry out in this darkness  
If I fall down on my knees  
If He walks the dark hills  
Will He come for me?  
Will He come save me?

Searching for the truth through stained glass windows  
Covered up in shame things that only I know  
Strike a match and light another candle  
Raise my hands a sing a pretty song

If anybody knew this ugliness inside me  
Would they throw a stone, would the crucify me?  
How heavy was the crown of thorns?  
I wonder if I'm to far gone

They say Jesus walked the dark hills  
He broke bread with beggars and thieves  
If I cry out in this darkness  
If I fall down on my knees  
If He walks the dark hills  
Will He come for me?  
Will He come save me?

How heavy was the crown of thorns?  
How heavy was the crown of thorns?  
I wonder if I'm to far gone  
Wonder if I'm to far gone

How heavy was the crown of thorns?

How heavy was the crown of thorns?  
I wonder if I'm to far gone  
Wonder if I'm to far gone

They say Jesus walks the dark hills  
He breaks bread with beggars and thieves  
When I cry out in this darkness  
When I fall down on my knees

When He walks the dark hills  
When He walks the dark hills  
When He walks the dark hills  
I know He'll come for me  
I know He'll come save me
