Sunday morning I don't feel so fine
I can't remeber all the things I did last night
My mind, was skipping all through time
I'm sad, I'm happy I can't make up my mind
But don't you say we didn't have a great time
Made you laugh and danced all through the night
Honest I swear your like a goddess I want chu I need
you
Girl come on let me please you don't chu

Don't chu get it
Don't chu get it girl
Don't chu get it
Don't chu, don't chu don't chu

I wont regret this no more
I'm setting up my mind
In time I'll make you mine we... ll dance through time
We... ll be just fine
I'll leave you to decide
Girl I just can't abide so long
Just take your thrown and
We can keep on dancing through the night

Don't chu look at me the way that you do
I'm not your average typical Fol.
So lets dance dance dance all through the night
Bring on them drinks till we see the sunrise
I wana make this happy for you
Make you smile and know it's true
Don't go

Don't chu get it girl
Don't chu get it
Don't chu get it girl
Don't chu, don't chu don't chu

I wont regret this no more
I'm setting up my mind
In time I'll make you mine we... ll dance through time
We... ll be just fine
I'll leave you to decide

Girl I just can't abide too long
Just take your thrown and

We can keep on dancing through the night
I'll make this worth while for your fight
We can keep on dancing through the night
I'll make this worth while for your fight
Can Keep on dancing through the night.
Can keep on dancing
