(By Simone Borghi)

There is something that I can't see
It's like a heavy anchor tied to my feet
There is someone I cannot rule
He's an evil living inside my head

Drawing back from the misery
It is an air of mystery
I feel like a small fleck of dust
Floating over this energy

Walking from all the old bad fears
I cannot let them disappear
Walking from all the old bad fears
Nowhere to hide through all these years

There's no guaranty for my way
I know that I have to fight it out
But there is someone I cannot kill
It's a nightmare sleeping inside my bed
