I never saw your face before  
I never saw the light of your eyes  
I feel a new sensation in my heart  
Please don't go

I feel a new sensation in my heart  
I feel a new sensation in my heart  
I feel a new sensation in my heart

I can't take your pain anymore  
I cannot change the world with my hands  
But I feel a new sensation in my heart  
So please don't go

I feel a new sensation in my heart  
I feel a new sensation in my heart  
I feel a new sensation in my heart  
I feel a new sensation in my heart

I can see through your eyes  
All my life going by  
No more fear in your dreams  
Stay with me so I feel free please don't go

I feel a new sensation in my heart  
I feel a new sensation in my heart  
I feel a new sensation in my heart
