"Looking For Her"

I can't forget
The time that I spent
Waiting for her
And I still can't live
Without my love
There's a hole in my heart

I'm looking for her
What's wrong with that
But she's not in love with me
Dreaming at night
Please hold me tight
But she's no more in my dreams

With the wind in my hair
I'm trying to forget
But it's just so hard going on
I'm looking for her
But she's not around
And it's just so hard going on

I can't believe
She'll never be mine
I'm wasting my time
How can I find
The best way to
Live without you

I'm looking for her
What's wrong with that
But she's not in love with me
Dreaming at night
Please hold me tight
But she's no more in my dreams

With the wind in my hair
I'm trying to forget
But it's just so hard going on
I'm looking for her
But she's not around
And it's just so hard going on
