Don't you look back on a big lost world -
crying out tomorrow.
Don't you look down like the heroes say -
come tell me all about it.
Take me to the streets where the bonfires bum

Take me in your arms and I'll fade away
When I hear you say what you got to say.

Anywhere you go
you know I'll still be waiting

All the things she said
she said.
Little darling
close your eyes
there'll be no compromising
Of all the things she said
she said.

Throw me to the streets where the heartbeats beating
To the peaceful revolution and the perfect wave -
surround me.
Tell me 'bout the ocean moving in slow motion

I see the glitter in the sun
then it's freezing in the moonlight -
Never look back
never look back
never look away.

If freedom comes and goes you lolow I'll still be waiting

All the things she said
she said.
You've fought the fight so long

no surrender to temptation
Of all the things she said
she said.

Stars will fall out for you

luck will surrender

I'm calling out to you - oh

to be near you in the first morning light -

I'd be with you

I dream about you.

If I could leave here

I would leave here tonight -

I'd be with you

I'd stay with you tonight.

Anywhere you go

you know I'll still be waiting

Of all the things she said

she said.

When I look into your eyes I see a new day rising

Of all the things she said

she said.

Through the eyes of love and to never know what hate

is

Of all the things she said

she said.

She said: this is our time

she said: this is our place

This is the space my heart wants to be.

Little darling

close your eyes

there'll be no compromising

All the things she said

she said.
