Belle
Never turn your back
Great times attack
Inexpensive thrills

And I said, Belle
Of all the friends who care
Some should be seen
But never heard

Colours fly
And Catherine wheels
Poor girls cry
In the beauty of both worlds

Catch a boy fell falling
Fall in love fell falling
Catch a boy fell falling
Fall in love fell falling
Catch a boy fell falling
Falling out of the sky

Belle
When the pulses rise
Love will tranquilize
Just before it kills

And I said, Belle
You turn them on
With your reflection
I know so well

Colours fly
And Catherine wheels
Poor girls cry
In the beauty of both worlds

Catch a boy fell falling
Fall in love fell falling
Catch a boy fell falling
Fall in love fell falling
Catch a boy fell falling

Falling out of the sky

Catch a boy fell falling
Fall in love fell falling
Catch a boy fell falling
Fall in love fell falling
Catch a boy fell falling
Out of the sky, out of the sky

Colours fly
And Catherine wheels
Some girl cry
Over her boyfriend

When colours fly
And Catherine wheels
[Incomprehensible]

So when the colours fly
And when the Catherine wheels
