Shadows in your room
Like a ghost you never see
Look in to the one
You love if you're afraid of me

Ghettos in his eyes
He plays a torch song melody
Listen to the one
You love if you're afraid of me

Ghostrider
E S P
Paperbackrider
You can't fool me

When all is said and done
Babylon was meant to be
Shitting on the one
You love if you're afraid of me

He's got the wild dog in his eyes
He's got a speed ball in his brain
Running through the roads
Of love like a marathon man

Ghostrider
E S P
The devil inside her
Don't want it to be

Yeah, the Ghostrider
E S P
A paperbackrider

Deep down in his soul
Every little boy knows
The he can't stop running so go

Look out
There's been a shoot out for love
I've got the shivers of love

Ghostrider
E S P
The devil inside her
I don't want it to be

The Ghost rider
E S P
She's got the devil inside her
Oh no, you can't

You can't fool me
No no, you cannot
You can't fool me
No no, you can't

Yeah, the Ghostrider
E S P
Oh, paperbackrider
No, you can't fool me

The Ghostrider
No no, you can't fool me
Oh, paperbackrider
