"Glittering Prize"

Shine on, shine the light on me
In all of my life
So that much more I see

In the light of his love
In the light of reflection
[Incomprehensible] this world
Sometimes, oh so it seems

Eyes in the skies
In that silver gift friendship
Glittering prize
Is it the prize of lost loves

They can remember
Quiet sides of midnight
They can remember
Attraction of fame

Like a glittering prize
I saw you up on a clear day
First taking hearts
Then our last breath away

Always came a time, time was by your side
We were spending time, we were staring out
Catch me in a dream, captured all in heart

We were spending time, we were staring out
Could there ever be, ever more than one
Called an act of lost love? Can you never stop?

Shine on, shine the light on me
In all of my life
So that much more I see
Like a glittering prize

I saw you up on a clear day
First taking heart then our last breath away
Only on a clear day coming into my life
Only on a clear day coming into our lives

We can remember
Quiet sides of midnight
We can remember
Attraction of fame

Like a glittering prize
I saw you up on a clear day
First taking hearts
Then our last breath away

See it in the eye, satellite sky
We were spending time, we were staring out
Take in, take in more, endless breath away

We were staring out, now we're staring in
Could there ever be, ever more than one
Called an act of Love? Can you you never stop?

Shine on, shine the light on me
In all of my life
So that much more I see
Like a glittering prize

Like a glittering prize
I saw you up on a clear day
First taking hearts
Then our last breath away

Only on a clear day
[Incomprehensible]
Always on a clear day
Is it the price of love
Like a glittering prize
Always on a clear day
