I'm the shy boy  
You're the coy boy  
And you know we're  
Homosapien too  
I'm the cruiser  
You're the loser  
Me and you sir  
Homosapien too

Homosuperior  
In my interior  
But from the skin out  
I'm Homosapien too

And you're Homosapien too  
And we're Homosapiens too  
And you're Homosapien too

And the world filled with age are a stage where we act  
out our lies  
And the words in the script seem to fit 'cept we have  
some surprise  
I just want this to last all our dreams dreaming past are  
all gone  
And if this is the case then I'm losing trace from now on

I'm a shy boy  
You're a coy boy  
And you know we're  
Homosapien too

I'm the cruiser  
You're the loser  
Me and you sir  
Homosapien too

Homosuperior  
In my interior  
But from the skin out  
I'm Homosapien too

And you're Homosapien too

And we're Homosapiens too  
And you're Homosapien too

And I think of your eyes in the dark and I see the star  
When I look to the light and I might wonder right where  
you are  
All the gods in the sky way up high see the earth  
spinning 'round  
But the sun and the moon and the stars are so far from  
the ground

I'm the cruiser  
You're the loser  
Homosuperior  
In my interior

Yeah I'm the cruiser  
You're the loser  
I'm the shy boy  
You're the coy boy  
Yeah I'm a shy boy  
I'm a shy boy  
Well I'm a shy boy  
I'm a shy boy  
Shy boy...  
Shy boy...
