Cities, buildings falling down
Ideal homes falling down
Those pictures I see on the wall
Timeless leaders standing tall

Assassin in a hit and run
[Incomprehensible] a new born son
Evacuees, refugees
Presidents and monarchies

Travel 'round, I travel 'round
Decadence and pleasure towns
Tragedies, luxuries
Statues, parks, galleries
Travel 'round, I travel 'round
Decadence and pleasure towns

Europe has a language problem
Talk, talk, talk, talk, talking on
In Central Europe men are marching
Marching on now, marching on now
Love songs playing in the restaurants
Airport playing [Incomprehensible]

Travel 'round, I travel 'round
Decadence and pleasure towns
Tragedies, luxuries
Statues, parks, galleries
Travel 'round, I travel 'round
Decadence and pleasure towns

Travel 'round, I travel 'round
Decadence and pleasure towns
Tragedies, luxuries
Statues, parks, galleries

Europe has a language problem
In Central Europe men are marching
