Black lines call out from his face  
Oh, his heart beats staccato pace  
He says he's not killing time  
I just don't want him for no friend of mine

Meanwhile Susan goes out all alone  
So many reasons but they're not all her own  
Bend till you break, scream if you must  
Someone's in her room, someone she don't trust

Can you see me, I'm in the lukewarm rain  
Tried so very hard, you know I just can't explain  
Think of a color, tell me what you see  
That color's red, you can take it from me

Take it from me  
Take it from me  
Take it from me

I've seen the streetlights shine on the underground  
I've heard the dead fight when there's no other sound  
I've seen the streetlights shine on the underground  
I've heard the dead fight when there's no other sound

Streetlight  
Streetlight

Streetlight  
Streetlight, streetlight

Streetlight  
Streetlight  
Streetlight  
Streetlight, streetlight

I've seen the streetlights shine on the underground  
I've heard the dead fight when there's no other sound  
I've seen the streetlights shine on the underground  
I've heard the dead fight when there's no other sound

Streetlight  
Streetlight

Streetlight  
Streetlight, streetlight

Streetlight  
Streetlight  
Streetlight  
Streetlight, streetlight
