There's colors on the street, red, white and blue  
People shufflin' their feet, people sleepin' in their shoes  
There's a warnin' sign on the road ahead  
There's a lot of people sayin' we'd be better off dead  
Don't feel like Satan but I am with them  
So I try to forget it any way I can

Keep on rockin' in the free world  
Keep on rockin' in the free world  
Keep on rockin' in the free world  
Keep on rockin' in the free world

I see a woman in the night with a baby in her hand  
There's an old street light, near a garbage can  
Now she put the kid away and she's gone to get a hit  
She hates her life and what she's done to it  
There's one more kid that will never go to school  
Never get to fall in love, never get to be cool

Keep on rockin' in the free world  
Keep on rockin' in the free world  
Keep on rockin' in the free world  
Keep on rockin' in the free world

We've got a thousand points in light for the homeless  
man  
We've got a kinder, gentler machine gun hand  
We got department stores and toilet paper  
Got Styrofoam boxes for the ozone layer  
Got a man of the people, says, ?Keeps 'em alive?  
Got fuel to burn, got roads to drive

Keep on rockin' in the free world  
Keep on rockin' in the free world  
Keep on rockin' in the free world  
Keep on rockin' in the free world
