Stay, I'm burning slow, with me in the rain  
Walking in the soft rain, calling out my name  
See me burning slow

Brilliant days, wake up on brilliant days  
Shadows of brilliant ways will change all the time  
Memories, burning gold memories  
Gold of day memories change me in these times

Somewhere there is some place  
That one million eyes can't see  
And somewhere there is someone  
Who can see what I can see?

Someone, somewhere in summertime  
Someone, somewhere in summertime

Someone, somewhere in summertime

Moments burn, slow burning golden nights  
Once more see city lights, holding candles to the flame  
Brilliant days, wake up on brilliant days  
Shadows of brilliant ways will change me all the time

Somewhere there is some place  
That one million eyes can't see  
And somewhere there is someone  
Who can see what I can see?

Someone, somewhere in summertime  
Someone, somewhere in summertime  
Someone, somewhere in summertime  
Someone, somewhere in summertime
