I'll hurt you if you say I did,  
Take you down and your all alone.  
Imagination wears you out,  
Crying brings you down again.  
The dream is over,  
The feeling's gone,  
If we were something you were dreaming all along.

Star light,  
Star bright,  
I'm the star you see at night.  
And I wish I may,  
I wish I might,  
Be in your dreams tonight.

Does anybody cut you?  
Does anybody let you down?  
You're praying for someone soon,  
To lie beside you now.

Star light,  
Star bright,  
I'm the star you see at night.  
And I wish I may,  
I wish I might,  
Be in your dreams tonight.

Star light,  
Star bright.

You were saying where you'd take me,  
And that's where I'll be found,  
But you were sleeping talking dreaming,  
Whisper take me now... Yeah star bright.

Star light,  
Star bright,  
I'm the star you see at night.  
And I wish I may,  
I wish I might,  
Be in your dreams...

The dream is over,  
Party's over.  
I'm still waiting,  
Nothing's falling.  
No confusion,  
No suspicion,  
If you're talking,  
I will listen.

Star light,  
Star bright,  
Be in your dreams tonight.
