I couldn't sleep a wink last night
I'd love to hold her
Love to see the fires in motion
Love to feel the free world turn tonight
Run 'til we come, until we be
Speed your love to me
Run 'til we come, until we be
Speed your love
Run 'til we come, until we be

Run 'til we come, until we be
Speed your love
You go to my head
You go to my head
You go to my head
No, over me
Higher and higher, higher
You go to my head
You go to my head
You go to my head
Over me
Higher and higher
Higher and higher
All across to me
You go to my head
You go to my head
You go to my head
Ohh, over near me
I'm going higher, come on
Higher and higher
All across to me
You go to my head
You go to my head
You go to my head
Ohh, over near me
I'm going ...
