We passed upon those stairs  
We spoke of was and when  
Although I wasn't there  
He said, "I was his friend"

Which came as some surprise  
I spoke into his eyes  
I thought, you died alone  
A long, long time ago

Oh no, not me  
I never lost control  
You're face, to face  
With the man who sold the world

I laughed and shook his hand  
Made my way back home  
I searched for foreign land  
For years and years I roamed

I gazed a gazely stare  
To all the millions there  
We must have died alone  
A long, long time ago

Oh no, not me  
I never lost control  
You're face, to face  
With the man who sold the world

Oh no, not me  
I never lost control  
You're face, to face  
With the man who sold the world
