Santa is coming tonight
and i want a car, and i want a life
and i want a first class trip to hawaii
i want a lifetime supply
of skittles & slurpees and eskimo pies
i want a dvd,
a big screen tv
just bring me things that i don't need
'cuz now it's christmas
and i want everything
i just can't wait
christmas
so don't stop spending
i want a million gifts, that's right
don't forget my christmas list tonight
'cuz now it's christmas
Somebody take me away
or give me a time machine
to take me straight to midnight
i'll be alright
I want a girl in my bed
who knows what to do
a playstation 2
i want a shopping spree
in new york city
just bring me things that i don't need
'cuz now it's christmas
and i want everything

i just can't wait
christmas
so don't stop spending
i want a million gifts, that's right
don't forget my christmas list tonight
'cuz now it's christmas
I wish i could take this day
and make it last forever
and no matter what i get tonight
i want more
It's christmas and i want everything
i just can't wait
it's christmas and i want everything now

Christmas
and i want everything
i just can't wait
christmas
so don't stop spending, i
want a million gifts,
that's right
and i can't wait 'til midnight
don't forget my christmas list tonight
'cuz now it's christmas
'cuz now it's christmas
'cuz now it's christmas
