Santa is coming tonight and I wanna car and I wanna  
life  
and I wanna a first class trip to... Hawaii  
I wanna lifetime supply of skittles and slurpies and  
escimo pies  
I wanna dvd, a big screen tv

Just bring me things that I don't need  
Cuz now it's Christmas  
and I want everything  
I just can't wait  
Christmas, so don't stop spending  
I wanna million gifts, that's right  
Don't forget my Christmas list tonight  
Cuz now it's Christmas

Somebody take me away  
or gimme your time machine  
to take me straight to midnight...I'll be all right  
I wanna girl in my bed  
who knows what to do  
a Playstation 2  
I wanna shopping spree in NewYork City

Just bring me things that I don't need  
Cuz now it's Christmas  
and I want everything  
I just can't wait  
Christmas, so don't stop spending  
I wanna million gifts, that's right  
Don't forget my Christmas list tonight  
Cuz now it's Christmas

I wish I could take this day and make it last forever  
and no matter what I get tonight... I want more

It's Christmas and I want everything  
I just can't wait  
It's Christmas and I want everything now

Christmas and I want everything

I just can't wait  
Christmas, so don't stop spending  
I wanna million gifts, that's right  
and I can't wait till midnight  
Don't forget my Christmas list tonight

(Can't wait for Christmas)  
Cuz now it's Christmas  
(Can't wait for Christmas)  
Cuz now it's Christmas  
(Can't wait for Christmas)  
Cuz now it's Christmas
