Another day is goin' by  
I'm thinking about you all the time  
But you're out there  
And I'm here waiting

And I wrote this letter in my head  
Cause so many things were left unsaid  
But now you're gone  
And I can't think straight

This could be the one last chance  
To make you understand, yeah

I'd do anything  
Just to hold you in my arms  
To try to make you laugh  
Cause somehow I can't  
Put you in the past  
I'd do anything  
Just to fall asleep with you  
Will you remember me  
Cause I know I won't forget you

Together we broke all the rules  
Dreamin' of droppin' out of school  
And leave this place  
And never come back

So now, maybe after all these years  
If you miss me, have no fear  
I'll be here  
I'll be waitin'

This could be the one last chance  
To make you understand  
And I just can't let you  
Leave me once again, yeah

I'd do anything  
Just to hold you in my arms  
To try to make you laugh

Cause somehow I can't  
Put you in the past  
I'd do anything  
Just to fall asleep with you  
Will you remember me  
Cause I know I won't forget you

I close my eyes  
And all I see is you  
I close my eyes  
I try to sleep  
I can't forget you

Na na na  
Na na na  
And I'd do anything for you  
Na na na  
Na na na naaaaaaaa

I'd do anything  
Just to hold you in my arms  
To try to make you laugh  
Cause somehow I can't  
Put you in the past  
I'd do anything  
Just to fall asleep with you

To fall asleep with you  
With you, yeah  
I'd do anything  
To fall asleep with you  
I'd do anything  
There's nothing I won't do  
I'd do anything  
To fall asleep with you  
I'd do anything  
Cause I know I won't forget you
