Maybe, I'm just not good enough for you
And maybe, I just don't wanna be like you
And maybe, I just don't wanna know
How low you're ready to go
I'm not gonna change, you can't make me, whoa

You don't, you don't, you don't, da, don't
You don't mean anything to me
You don't, you don't, you don't, da, don't
You don't mean anything to me
You're what I never wanna be

Tell me, does it feel good to be like you?
And tell me, why should I waste my time with you?
'Cause maybe you always bring me down
And I'm sick of being pushed around
I'm not gonna change, you can't make me, whoa

You don't, you don't, you don't, da, don't
You don't mean anything to me
You don't, you don't, you don't, da, don't
You don't mean anything to me
You're what I never wanna be

I know you think you know me
You don't know anything
I know you wanna help me
I don't mean anything
Don't tell me where to go
I don't need you to know, no no, whoa

You don't, you don't, you don't, da, don't
You don't mean anything to me
You don't, you don't, you don't, da, don't
You don't mean anything to me

You don't, you don't, you don't, da, don't
You don't mean anything to me
You don't, you don't, you don't, da, don't
You don't mean anything to me
You're what I never wanna be

You don't mean anything to me
You're what I never wanna be
