i take a step forward then
i end up right back where i started from
back where i belong
away from reality

this dream is never ending
i want to wake up from this dream
i can't help my mental state
i play hard but i never can in
just dont look back and keep on fighting

i feel so empty right now
nothing to inspire me but some how
i keep on dreamin away
hopeing i will wake up soon some day

this dream is never ending
i want to wake up from this dream wake up from this
dream
i can't help my mental state
i play hard but i never can win
just don't look back and keep on fighting

i used to be a happy guy but not today
a whoa ooh oh ooh ah ah oh
don't try and tell me i will be ok
there's nothing i can do to wake up from this dream

this dream is never ending
i want to wake up from this dream
wake up from this dream
can't help my mental state
i play hard but i never can win
just don't look back and keep on fighting

this dream is never ending
i want to wake up from this dream

this dream is nver ending
i want to wake up from this dream

this dream is never ending
i want to wake up from this dream
