I've been trying to tell you something  
But you never understand  
I feel like we've been going 'round in circles  
You look at me like I've become a stranger on the  
street;  
A skeleton that's hiding in your closet

I see you next to me  
But still you seem so far away  
Where did we go wrong? [Where did we go wrong]  
I guess this is the part  
Where you look at me and say  
Goodbye!

Don't, Don't let me go  
It's not the end  
Whoa  
Girl, you know  
It's not so bad  
It's not the end  
Whoa  
You know it's not the end

I've been around the world  
And I have seen so many things  
I can't even tell you where I'm going  
But no matter where I'm heading  
And no matter what I do  
Something keeps me coming back to you

I see you next to me  
But still you seem so far away  
Where did we go wrong? [Where did we go wrong]  
I guess this is the part  
Where you look at me and say  
Goodbye!

Don't, Don't let me go  
It's not the end  
Whoa  
Girl, you know

It's not so bad  
It's not the end  
Whoa  
You know it's not the end

Don't, don't let me go  
It's not the end  
Girl you know  
It's not so bad  
It's not the end  
Whoa  
You know it's not the end

What can I do when you're gone?  
When it feels so wrong  
What can I say to make you wanna stay?  
What can I do?  
Don't leave me this way  
'Cause it feels so wrong  
Let's stop all these games  
'Cause I just can't say goodbye

Don't, don't let me go  
It's not the end  
Whoa  
Girl you know  
It's not so bad  
It's not the end  
Whoa  
You know it's not the end

Don't, don't let me go  
It's not the end  
Whoa  
Girl you know  
It's not so bad  
It's not the end

You know it's not the end
