

Simple Plan "Everytime"

It was 3 AM
When you woke me up
Then we jumped in the car and drove as far as we
could go
Just to get away

We talked about our lives
Until the sun came out
And now Iâ€™m thinking about
How I wish I could go back
Just for one more day
One more day with you

Everytime I see your face
Everytime you look my way
Itâ€™s like it all falls into place
Everything feels right
Ever since you walked away
It left my life in disarray
All I want is one more day
Itâ€™s all I need
Is one more day with you

When the car broke down
We just kept walking along
â€™Til we hit this town
There was nothing there at all
But that was all ok

We spent all our money
On stupid things
But if I look back now
Iâ€™d probably give it all away
Just for one more day

One more day with you

Everytime I see your face
Everytime you look my way
Itâ€™s like it all falls into place
Everything feels right
Ever since you walked away

It left my life in disarray
All I want is one more day
It's all I need
Is one more day with you

Now I'm sitting here
Like we used to do
I think about my life
And now there's nothing I won't do
Just for one more day
One more day with you

Everytime I see your face
Everytime you look my way
It's like it all falls into place
Everything feels right
Everytime I hear your name
Everytime I feel the same
It's like it all falls into place
Everything, everything feels right

You walked away
Just one more day
It's all I need
Is one more day with you
