(Verse 1)

You tell stories
With your fake-ass backstage pass
Twenty phony cards
The game is set at last
I stay up so late
Lying again to hook up with a date
Bragging about a world tour
Maybe, If I drive a nice car

(Chorus)

How come first dates always suck?
I'm all out of luck
Guess I'll never be the one
How come the first dates always tough?
Am I good enough?
Guess I'll never be the one

(Verse 2)

Walk out the very next day
Feeling even worse than yesterday
I go rent a movie
Sounds more fun than going out
You were working that night
I wore an old shirt
You were looking great in that beautiful skirt
You were so sweet
Somehow it all felt right
It all felt right

(Repeat Chorus)

How come first dates always suck?
I'm all out of luck

Guess I'll never be the one
How come the first dates always tough?
Am I good enough?
Guess I'll never be the one

(Bridge)

She said I don't care what you wear
(As long as you're there)

She said I don't care what you'll be
(She's taking over me)
She said I don't care what you wear
(As long as you're there)

(Repeat Chorus)
How come first dates always suck?
I'm all out of luck
Guess I'll never be the one
How come the first dates always tough?
Am I good enough?
Guess I'll never be the one

(Ending of the song)
This first date didn't suck today
It's my lucky day
This time maybe I'll be the one
This first date didn't suck today
It's my lucky day
This time maybe I'll be the one
This time maybe I'll be the one?
