The minute before we play  
I'm pacing waiting anxiously  
I Can't wait to hit the stage  
And say hello to Jersey  
And when the last note rings  
And I've sung all i have to sing  
Every minute i will count  
The next show in the next town

What can i say  
That can explain  
All this time i'm loving life  
Theres not a day that i can say  
All this time i'm living out my...

The feelings screaming out  
The words of things i think about  
Hearing them coming back  
From the crowds mouth is perfect  
And when the curtains close  
I realize how fast time can go  
Thanks for everything you know how much this means

What can i say  
That can explain  
All this time i'm loving life  
Theres not a day that i can say  
All this time i'm living out my  
Dream

What this is to me  
Is more than words could mean  
I guess dreams do come true  
This song it self is living proof

What this means to me is  
more than it may seem  
I guess dreams do come true  
This song it self is living proof

What this is to me

Is more than words could mean  
I guess dreams do come true  
This song it self is living proof

What can i say  
That can explain  
All this time i'm loving life  
Theres not a day that i can say  
All this time i'm living out my  
Dream
