"Going Under"

Now i will tell you what i've done for you
50 thousand tears i've cried
Screaming Deceiving and bleeding for you
And you still won't hear me
Don't want your hand this time i'll save myself
Maybe i'll wake up for once
Not tormented daily defeated by you
Just when i thought i'd reach the bottom
I'm dying again

I'm going under
Drowning in you
I'm falling forever
I've got to break through
I'm going under

Blurring and stirring the truth and then lies
So i don't know what's real and whats not
Always confusing the thoughts in my head
So i can't trust my self me anymore
I'm dying again

I'm going under
Drowning in you
i'm falling forever
I've got to break through

So go on and scream
Scream at me i'm so far away
I won't be broken again
Ive got to breathe i can't keep going under
