Can't explain all the feelings that you're making me  
feel  
My heart's in overdrive and you're behind the steering  
wheel

Touching you, touching me  
touching you, god you're touching me

I believe in a thing called love  
Just listen to the rhythm of my heart  
There's a chance we could make it now  
We'll be rocking 'til the sun goes down  
I believe in a thing called love  
Ooh!

I wanna kiss you every minute, every hour, every day  
You got me in a spin but everythin' is A.OK!

Touching you, touching me  
touching you, god you're touching me

I believe in a thing called love  
Just listen to the rhythm of my heart

There's a chance we could make it now  
We'll be rocking 'til the sun goes down  
I believe in a thing called love  
Ooh! Guitar!

Touching you, touching me  
touching you, god you're touching me

I believe in a thing called love  
Just listen to the rhythm of my heart  
There's a chance we could make it now  
We'll be rocking 'til the sun goes down  
I believe in a thing called love  
Ooh!
