You look so beautiful today
When you're sitting there it's hard for me to look away
So I try to find the words that I could say
I know distance doesn't matter but you feel so far away
And I can't lie
Every time I leave my heart turns gray
And I want to come back home to see your face
And I
Cause I just can't take it

Another day without you with me
Is like a blade that cuts right through me
But I can wait
I can wait forever
When you call my heart stops beating
When you're gone it won't stop bleeding
But I can wait
I can wait forever

You look so beautiful today
It's like every time I turn around I see your face
The thing I miss the most is waking up next to you
When I look into your eyes, man I wish that I could stay
And I can't lie
But every time I leave my heart turns gray
And I want to come back home to see your face
And I
Cause I just can't take it

Another day without you with me
Is like a blade that cuts right through me
But I can wait
I can wait forever
When you call my heart stops beating
When you're gone it won't stop bleeding
But I can wait
I can wait
I can wait forever

I know it feels like forever
I guess that's just the price I gotta pay
But when I come back home to feel your touch

Makes it better
Till that day
There's nothing else that I can do
And I just can't take it
(I just can't take it)

Another day without you with me
Is like a blade that cuts right through me
But I can wait
I can wait forever (I can wait forever)
When you call my heart stops beating
When you're gone it won't stop bleeding
But I can wait (I can wait)
I can wait
I can wait forever
I can wait forever
I can wait forever...
