

Simple Plan "I Dont Have One Yet"

It's time for us to take our seperate paths
We had a lot of laughs but the good things come to
pass
Let's think of the evil break don't make it scandoulous
Try to be mature til your sure that we can handle this
Your sayin I'm too busy I ignore you
I guess you didn't hear me when I said that I cared for
you
But now it seems the arguments are nightly

I wanna hold you tightly but instead you wanna fight
me
So why let it stress and aggravate me
Instead I'd rather break hope you don't hate me
