I don't want to make this  
Harder than I have to  
This is how it has to be  
There's so many things  
I want to say  
But u just don't listen to me

I don't want to hurt you  
You don't want to hurt me  
I can't stand you  
And you can't stand me  
We can't rearrange you can  
Never change me  
Say goodbye  
Nothing I say can change  
Your mind because

I can't stay  
Tomorrow I'll be on my way  
So do expect to find me  
Sleeping in my bed  
'Cause when I wake up  
I wont be there  
(I wont be there)

Everything I say you find  
A way to make it  
Sound like I wuz born  
Just yesterday  
And everything you taught me  
Doesn't mean a thing  
So I'm going my way

I don't want to hurt you  
You don't want to hurt me  
I can't stand you  
And you can't stand me  
We can't rearrange you can  
Never change me  
Say goodbye  
Nothing I say can change  
Your mind because

I can't stay  
Tomorrow I'll be on my way  
So don't expect to find me  
Sleeping in my bed  
'Cause when u wake up  
I wont be there

This is the last night that  
I spend at home  
And it won't take too long for  
You to notice  
Won't take long for you to  
Find out that I'm gone

I can't stay  
Tomorrow I'll be on my way  
So don't expect to find me  
Sleeping in my bed  
'Cause when u wake up  
I wont be there  
(Repeat)

I wont be there  
I wont be there  
I wont be there
